

AMERICAN CHOPPER THE SERIES

Motor Marc Lacourciere

Painter of the Open Road

He is known for both the authentic realism and sense of drama that he brings to each subject he portrays. An accomplished artist, Motor Marc Lacourciere is known as the painter of the open road and has gained international recognition through his work for companies such as the Bradford Exchange, NASCAR, Chevrolet, Harley Davidson and Boyd Coddington. Marc's depiction of exotic and classic cars, motorcycles, aircraft and high-tech machinery showcase his illustrative prowess and his award winning prints and posters are highly sought after. Chosen by Discovery Communications, Inc. for his unique ability to capture the essence of style and attitude that personify custom choppers, Marc's experience in painting custom motorcycles is unparalleled in the art world.

As an *American Chopper* licensed artist, Motor Marc has produced a variety of fine art products depicting many of the incredible theme bikes from the popular television series.
