Toronto International Spring Motorcycle Show kicks off the Motorcycle Riding Season

Spring means one thing to motorcyclists – taking the bike out of storage and getting ready to hit the road. Whether it's for commuting, weekend rides or plans for that big road trip there's a sense of purpose for riders once the snow melts. The Spring Show, presented by Mantha Insurance and taking place **April 4 & 5** at the International Centre, is timed perfectly to provide a one-stop shopping opportunity for all motorcyclists.

New 2009 model motorcycles on display include **touring and cruising bikes, street bikes, offroad bikes, scooters** and there will also be great deals on non-current models. The giant **Used Bike Clearance Sale** is a hot spot for anyone shopping for a bike, with a vast array of all makes & models.

For new riders, the Show offers information on Rider Training, licensing and Insurance, plus vendors will offer advice on starter bikes and proper riding gear. With **over 30 motorcycle clubs** exhibiting, there's a riding club for every type of rider to join and charity rides to add to the riding calendar.

Showgoers can check out **features** such as the Fashion Shows by On the Fringe, and the Spring Used Bike Market. With 4 huge Accessory Superstores, Toronto area Dealer displays, independent retailers, used parts vendors, and more, the Spring Show's vendors promise an unequalled assortment of products for all riders.

Noted motorcycle author and Journalist, **Max Burns**, will be a featured guest as well as author **Michelle Duff**, to sell and talk about their latest books with fellow motorcyclists.

The **Canadian Motorcycle Heritage Museum** will feature a display of significant bikes from the *SUPERSHOW* Collection, alongside the Canadian Motorcycle Hall of Fame and the Motorcyclists Confederation of Canada. Over 30 clubs & associations display bikes and promote their 2008 rallies, charity rides and events, and membership drives at the same time as they share their passion for riding with the attending public.

The **Showbike Builders Competition** will see top customs competing for over \$15,000 in cash. From vintage and touring bikes, to street bikes and wild customs there are over 30 classes in the competition. Expected are some wild creations from some of Canada's top builders and shops vying for the top prize.

This year's **Door Prize** is a new **Suzuki DR-Z125** motorcycle provided by Suzuki of Newmarket, to be drawn on stage, Sunday, April 5th at the Show. Admission to the Spring Motorcycle Show includes a complimentary copy of International Motorcycle Magazine and a half price admission coupon to the Classic Car Auction, happening next door in Hall 3.

The Toronto Spring Motorcycle Show runs Saturday, April 4th from 10am to 9pm, and Sunday, April 5th from 10am to 5pm. The International Centre is located at 6900 Airport Road.
